

Comperhensive Solution for Drilling Operations

FARZAM
ENGINEERING & DEVELOPMENT

FARZAM CO.

is a dynamic supply and engineering company focused on delivering integrated solutions and reliable support to the oil, gas, drilling, and energy industries.

With extensive industry experience and strong international partnerships, we provide a comprehensive range of drilling equipment, oilfield tools, consumables, chemicals, and technical services tailored to meet the operational requirements of our clients.

FARZAM

OUR OBJECTIVE IS TO ACT AS A TRUSTED “ONE-STOP SUPPLY PARTNER” FOR DRILLING OPERATIONS BY COMBINING:

- High-quality products
- Competitive commercial solutions
- Fast response and logistics support
- Technical expertise and customer-focused service

Through our global sourcing network and cooperation with reputable manufacturers and service providers, Farzam Co. is capable of supporting projects ranging from drilling and completion to well intervention, production support, and rig equipment supply.

ABOUT US

Our portfolio includes:

- Drilling rigs and associated equipment
- Drill string products and OCTG
- Completion and wellhead systems
- Drilling chemicals and cementing additives
- Fishing tools and downhole equipment
- Pressure control and testing systems
- Spare parts and technical support services

We are committed to building long-term partnerships based on reliability, transparency, and operational excellence. We look forward to the opportunity to cooperate and support your future projects.

FARZAM

Comprehensive Product & Service Portfolio for Drilling Operations

COMPLETION & DOWNHOLE SOLUTIONS

We supply a comprehensive range of completion equipment and downhole technologies designed to enhance well integrity, operational safety, and production efficiency, including:

- Subsurface Safety Valves (SSSV) & Sliding Side Doors (SSD)
- Mechanical & Hydraulic Packers
- Bridge Plugs & Setting Tools
- Permanent & Retrievable Completion Systems
- Seal Bore & Single String Hydraulic Completions
- ESP Packers & Completion Accessories
- Safety Valves & Downhole Completion Components

DRILLING SERVICES & OILFIELD TOOLS

Our portfolio supports drilling, intervention, stimulation, and well servicing operations with a broad range of field-proven solutions:

- Wireline Units (Skid / Truck Mounted)
- Coiled Tubing Units
- Mud Motors & Downhole Motors
- Wellhead Systems, Manifolds & Christmas Trees
- 3-Phase Separators
- Multi-Zone Frac Systems
- Cementing & Fracturing Deployment Systems
- Swellable Packers & Bridge Plugs
- Blowout Preventers (BOP) All Sizes & Pressure Ratings We also supply spare parts compatible with major Top Drive System manufacturers, including:
 - HH
 - BPM
 - TPEC
 - CANRIG
 - JH

CASING ACCESSORIES & RUNNING EQUIPMENT

We provide complete casing running and handling solutions for safe and efficient drilling operations:

- Rotary Casing Shoes & Float Collars
- Fill-Up & Circulation Tools
- Casing Power Tongs
- Drill Pipe Air Tongs
- Slips, Elevators & Manual Tongs

DRILL STRING PRODUCTS & OCTG SOLUTIONS

Farzam co. provides a complete range of drill string and tubular products manufactured under strict quality control standards to ensure superior durability, performance, and operational reliability.

Product Range Includes:

- Drill Pipe & Drill Collars
- OCTG & Tubing Products
- Conventional Tubing & Casing
- Vacuum Insulated Tubing & Casing
- Non-Magnetic Drill Collars
- Heavy Weight Drill Pipe (HWDP)
- Stabilizers & Hole Openers
- Roller Reamers & Drilling Jars
- Casing Scrapers & Key

FARZAM

WELLHEAD SYSTEMS & PRESSURE CONTROL EQUIPMENT

We deliver complete wellhead and pressure control solutions for drilling and production environments:

- Wellheads & Christmas Trees
- Casing Heads & Tubing Heads
- Casing Spools & Accessories
- Wellhead Handling Tools
- Choke & Kill Manifolds
- Slab Gate Valves
- Mud Gate Valves
- Chokes & Check Valves
- Well Testing Equipment

FISHING TOOLS & DOWNHOLE RECOVERY SYSTEMS

Our fishing tools are engineered to industry-standard specifications and designed for demanding downhole recovery operations:

- Bowen Overshot & Grapples
- ITCO Releasing Spears & Grapples
- Hydraulic Releasing Backoff Spears
- Hydraulic Casing Cutters

FARZAM

DRILLING FLUIDS & SPECIALTY CHEMICALS

We provide drilling and completion chemicals suitable for a wide range of operating conditions and temperatures.

Completion Brines:

- Sodium Bromide Solutions
- Calcium Bromide Solutions
- Zinc Bromide Solutions
- Zinc/Calcium Bromide Solutions

Specialty Chemicals:

- Corrosion Inhibitors
- Surfactants
- Iron Control Agents
- H₂S Scavengers
- Anti-Sludge & Anti-Emulsion Chemicals
- Mutual Solvents
- VES Systems
- Glycols & Pipeline Chemicals

DRILL BITS & CUTTING TECHNOLOGIES

We supply a complete range of drilling bits for conventional and directional drilling applications:

- PDC Bits (Steel Body & Matrix Body)
- Roller Cone Bits
- Directional & Hybrid Bits
- Hard Formation Bits
- Core Bits

CEMENTING ADDITIVES & OILFIELD CHEMICALS

Our cementing chemical portfolio includes:

- Fluid Loss Additives
- Dispersants
- Gas Stop Systems
- Retarders
- Antifoam Additives
- Weighting Agents

Suitable for fresh water and saltwater systems across a wide temperature range.

DRILLING RIG PORTFOLIO

Land Rig – 3000 HP (ZJ90)

Designed for deep drilling applications up to 9,000 meters with high-capacity hoisting, mud systems, and advanced braking technology.

Land Rig – 2000 HP (ZJ70)

Reliable heavy-duty drilling rig for medium to deep drilling operations with optimized efficiency and power management.

Land Rig – 1500 HP (ZJ50)

Flexible and efficient solution for conventional drilling projects with robust AC-SCR-DC drive systems.

FARZAM

FLEXIBLE SUPPLY & DELIVERY SOLUTIONS

Upon confirmation of the required rig specification, we will provide a detailed technical and commercial proposal tailored to your project requirements.

In addition to new-build rigs, we periodically have access to high-quality second-hand rigs available for immediate deployment, subject to availability.

The background of the right half of the slide is a photograph of an oil rig. Two workers in hard hats and safety gear are silhouetted against a bright, low sun, creating a warm orange glow. The rig's complex structure of pipes, valves, and metal beams is visible. A large white arrow points from the 'FLEXIBLE SUPPLY & DELIVERY SOLUTIONS' header towards the rig.

Our Strength Lies in Quality,
Commitment & Service Excellence

OUR VISION

At **FARZAM Co.**, we are committed to delivering innovative, reliable, and cost-effective drilling solutions to the energy sector.

By combining technical expertise, responsive service, and strong global partnerships, we provide advanced equipment and customized support that help our clients improve operational efficiency and project performance.

Our mission is to become a trusted long-term partner by consistently delivering:

- Quality Products
- Technical Excellence
- Fast Response
- Customer-Focused Solutions

We look forward to supporting your operations and serving part of your future requirements.
